[Text] Yesterday, Basra, the second most important city of Iraq, came under the heavy fire of the Islamic combatants' artillery in retaliation for the Zionist Iraqi regime's attacks on the residential areas of our country.

According to reports received, yesterday's shelling of Basra resumed after a 46-hour break and caused heavy casualties to the Zionist Iraqi regime. These reports state that, for all intents and purposes, the city of Basra is empty and that this city, which plays a vital role in the Iraqi economy, has been transformed into a war-stricken city.

9th Warning of Baghdad Strike

[Unscheduled announcement]

[Text] O citizens of Baghdad! The Zionist Ba'athist regime of Iraq launched its missile on the cities of Buhkharan and Hamadan on 4 April. With this act of aggression and its attack on Iranian cities it has once again violated all humanitarian Islamic laws and all international norms, against the wishes of all humane quarters throughout the world, and announced that it will continue to shell populated cities.

The Islamic Republic of Iran, in accordance with its declaration in the statement issued by the War Propaganda Committee, will reply in kind. Therefore, we ask the citizens of Baghdad to leave the city at once and as soon as possible for the safety of the holy city.

In a few hours Baghdad will shake as a result of our missile bombardment so that the Baghdad rulers will stop their aggression.
